T. W. Phillips Pipeline Corp. proposes to construct, own, operate and maintain a new natural gas pipeline in Clearfield County, PA, consisting of approximately 8-miles of 6-inch diameter coated steel pipeline and appurtenant facilities. The pipeline would run from a metering station at the interconnection with Columbia Gas Transmission Corp.'s ("Columbia") existing 16-inch diameter pipeline in Boggs Township, Clearfield County, PA to a sole customer, a new ethanol production plant owned by Bionol Clearfield, LLC to be located in the Borough of Clearfield, Clearfield County, PA. The new pipeline will provide 12,500 Dth per day of firm transportation delivery capacity to serve all of the natural gas requirements of the new ethanol plant.
